

POWERING A VITAL VALLEY

2017 Scholarship Information & Application

Dear Scholarship Applicant:

Thank you for considering applying for a San Luis Valley Rural Electric Cooperative, Inc. Scholarship. SLVREC is offering 12 scholarships for interested senior students.

When applying for a SLVREC sponsored scholarship you will automatically be eligible for all of the available scholarships except for the Lineworker and 4-year Adams State University scholarships. These two scholarships are unique scholarships, and must be referred to in your essay to be eligible.

You will be notified by March 2nd, to let you know whether you received a scholarship or not.

Applications that are not filled out correctly will NOT be accepted.

Good luck in this application process and your future goals!

If you have specific questions, feel free to contact me at 719-852-6660 or email me at ajaramillo@slvrec.com.

Digital copies of this application form are available online at www.slvrec.com.

Sincerely,

Andrea Oaks-Jaramillo

Marketing & Economic Development Coordinator

(Submit this Form)

Electric Lineworker Scholarship Eligibility Requirements

SLV REC's Lineworker Scholarship will provide the required training for the recipient to become an apprentice lineworker or electric lineworker. SLVREC will pay the selected student's tuition and the balance can be used for required tools and climbing gear.

The applicant must be at least 18 years old.

- The student must enroll in the program full-time.
- Although first consideration will be given to graduating high school seniors, this scholarship is open to all individuals.
- Applicants need not be recent high school graduates.
- GED or equivalent, high school transcripts, community college, or college transcripts.
- The student must maintain a minimum GPA of 2.5 each semester.
- More information on suggested course sequencing and program requirements can be obtained from www.mesastate.edu or by calling 1-888-455-2617 in Grand Junction or www.trinidadstate.edu or by calling 719-846-5650 in Trinidad.
- Applicants will be rated on grade point average (GPA), ACT/SAT scores, school and community activities, achievements, overall goals in the electric industry, and an essay describing why you are interested in pursuing a career as an electric lineworker (two pages maximum.)
- A Written Recommendation Letter by a third party. (Original signature required)

SLVREC's Adams State University 4-year Scholarship

One Scholarship Available

This scholarship is renewable for up to a maximum of four years. The value of the scholarship will equal the total of in-state tuition, some fees and a book allowance for the award year with one-half awarded at the beginning of each semester.

The scholarship recipient should carry a minimum of 12 credit hours per semester (15 credit hours encouraged) and maintain a 2.5 grade point average (GPA) or higher.

Recipients of this ASU Scholarship are NOT eligible for other SLVREC Scholarships. However, please apply for all scholarships available to meet your academic goals.

Adams State University 4-Year Scholarship Eligibility Requirements

In addition to the general eligibility requirements, students wishing to compete for the SLVREC sponsored 4-year tuition, college service fees, and \$700 book allowance scholarship to Adams State University must also:

- Pursue a major in a degree program offered at Adams State University.
- Register as a full-time student at Adams State University. A minimum of 12 Credit hours must be completed each semester; although, a 15 credit hour load is encouraged.
- The recipient must maintain a cumulative grade point average (GPA) of 2.5 or better.
- At the end of each semester, the recipient must mail a copy of their ASU transcript to the SLVREC Scholarship Committee to renew the scholarship.
- The recipient may renew the scholarship for up to a maximum of four consecutive years of study as long as the minimum GPA, class load criteria and career goals are maintained.
- Applicants must be incoming freshman who graduated from high school or

The recipient must be a student who is enrolled or planning to enroll in a full-time graduate or undergraduate course of study at an accredited, two-year, four-year college/ university or vocational/technical school.

Dependents of employees and directors of SLVREC are eligible for this scholarship.

Tri-State G&T Scholarships

Six Scholarships Available

Two of the scholarships will be provided by Tri-State Generation and Transmission with a one-time award of \$500.

Four will be provided jointly by Tri-State G&T and SLVREC a one-time award of \$500.

Students may enroll in any post-secondary accredited institution having at least a one-year degree program to be eligible for this award. The recipient must register as a full-time student in an accredited university, college, or vocational/technical school of their choice.

Dependents of employees and directors of SLVREC are eligible for one of these scholarships.

If you change schools after you are awarded the scholarship you must contact our office so that scholarships are distributed to the proper schools!
