

Gifted & Talented Summer Camp Scholarship App

2017-2018 Academic Year

Each year South Conejos will award one \$500 scholarship for a high school talent pool or identified student; one \$250 scholarship for a middle school talent pool or identified student; one \$100 scholarship for an elementary talent pool or identified student for a summer camp.

Summer camps must be in the students talent area or contribute to their career/educational goals. The scholarship will help pay for admission costs. It is up to the parent to pay for transportation and housing. If a scholarship is left unused (for example: no student applies for the middle school scholarship), that amount may be used by another student at a different building level.

Scholarship applications are due by the 1st of April every year.

1. Personal Information

Full name of applicant _____ Nickname _____
Home telephone number _____ Email address _____
Present home address _____
City _____ State _____ Zip _____
Date of birth _____

2. Family Information

Guardian's name _____	Guardians's name _____
